## Precision Access Control for Your Perimeter

Redefine your entryway! Elevate your property and achieve the ultimate balance of site security and timeless sophistication with our Ornamental Steel Walk Gate Series. Engineered for the property or business owner who demands maximum structural integrity at every entry point, these gates serve as the cornerstone of a secure perimeter. Made from high-strength, galvanized steel and further protected by a premium powder coating, each gate is precision-welded to withstand the repeated cycles of high-traffic environments. From our sleek residential flat-tops to our reinforced commercial spear-top designs, our gates are built to maintain a prestigious aesthetic and flawless operation for many years.

### Key Features

- ⊙ **Structural Integrity**  
(Heavy-duty steel construction provides superior strength)
- ⊙ **Corrosion Defense**  
(Galvanized steel with a powder coating for superb resilience)
- ⊙ **Commercial-Grade Reinforcement**  
(Commercial Rackable series uses heavy duty rails and pickets)
- ⊙ **Precision Sizing for Seamless Install**  
(Industry-standard widths for gate openings)
- ⊙ **Aesthetic Architectural Harmony**  
(A complete range of top treatments)

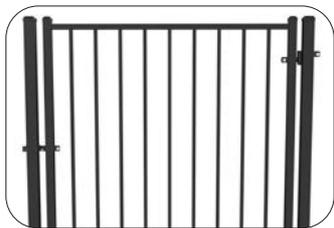

### Suitable For

- ⊙ Estate Security
- ⊙ Residential
- ⊙ Commercial & Industrial
- ⊙ Public Parks
- ⊙ Historical Districts

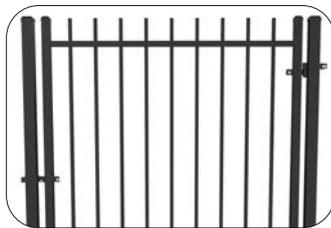

## Many Styles Available from Stock

### OldStead 2 Rail Flat Top

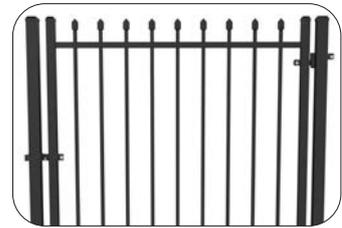

- ⊙ Features a fully welded design at all picket and rail joints
- ⊙ Available as a residential or commercial specification

### OldStead 2 Rail Extended Top

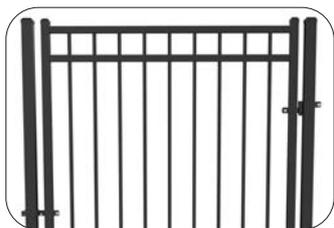

- ⊙ Extended top adds height & discourages climbing
- ⊙ Available as a residential or commercial specification

### OldStead 2 Rail Spear Top

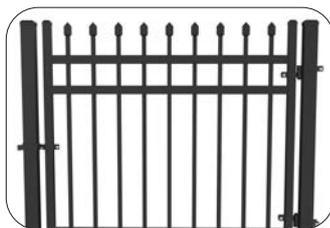

- ⊙ Spear top adds classic style & discourages climbing
- ⊙ Available as a residential or commercial specification

### OldStead 3 Rail Flat Top

- ⊙ The extra rail adds strength and style
- ⊙ Available as a residential-only specification

### OldStead 3 Rail Spear Top

- ⊙ The extra rail adds strength and style. Rackable for uneven ground
- ⊙ Available as a commercial-only specification

## Hinge & Latch Hardware Kits

### Essential Residential & Commercial Single Gate Leaf Hinge & Latch Set For 1-1/2" to 2" Gate Frame and 2" to 2-1/2" Post - 001-000229

This heavy-duty Single Gate Leaf Hinge and Latch Set is a versatile hardware solution designed for both residential and commercial applications. Engineered for durability and ease of installation, the kit is compatible with 1-1/2" to 2" gate frames and mounts securely to 2" to 2-1/2" posts. Each set provides a complete out-of-the-box solution, featuring two robust butt hinges for smooth operation, a reliable latch mechanism, and all necessary fixings. For added convenience, an included adjustment tool allows for precise post-installation tuning to ensure a perfect fit and long-term alignment.

### Ornamental Signature Residential Walk Gate Hardware Kit For 1-1/2" Gate Frame and 2" Post - 001-000245

Elevate both security and curb appeal with the Ornamental Signature Commercial Walk Gate Hardware Kit. Specifically engineered for high-traffic commercial environments, this premium set is designed for 2" gate frames and 2-1/2" posts. The kit features heavy-duty wrap-around hinges that provide superior structural support and a classic, finished look. Complementing the hinges is a robust fork latch and latch hanger system, ensuring a secure and reliable closure every time. Complete with all necessary fixings, this kit offers a seamless blend of decorative elegance and industrial-grade strength for professional gate installations.

### Ornamental Signature Commercial Walk Gate Hardware Kit For 2" Gate Frame and 2-1/2" Post - 001-000242

Elevate both security and curb appeal with the Ornamental Signature Commercial Walk Gate Hardware Kit. Specifically engineered for high-traffic commercial environments, this premium set is designed for 2" gate frames and 2-1/2" posts. The kit features heavy-duty wrap-around hinges that provide superior structural support and a classic, finished look. Complementing the hinges is a robust fork latch and latch hanger system, ensuring a secure and reliable closure every time. Complete with all necessary fixings, this kit offers a seamless blend of decorative elegance and industrial-grade strength for professional gate installations.
