Post Cap 2-1/2"

The 2-1/2" Dual-Purpose Post Cap is a premium, heavy-duty component designed to provide a clean finish and reliable protection for both chain link terminal posts and standard wood fencing posts. Engineered for versatility, this cap securely seals the top of hollow metal pipes or caps off wood posts to prevent water infiltration, rotting, and internal rust—drastically extending the lifespan of your fencing system.

Key Features

■ Material Type

Manufactured from high-tensile Galvanized Steel to deliver superior corrosion resistance and outdoor durability.

■ Dual Compatibility

Specifically engineered to fit seamlessly onto 2-1/2" Chain Link Terminal Posts (including corner and end posts) as well as matching Wood Fencing Posts.

■ Weather Protection:

Forms a tight shield against rain, snow, and debris, halting internal moisture damage before it starts.

■ Aesthetic Finish:

Provides a sleek, domed profile that enhances the overall look of residential, commercial, or agricultural fencing.

Suitable For
