Precision Access Control for Your Perimeter

Grand entrances, uncompromising security! Redefine your entryway and achieve the ultimate balance of site security and timeless sophistication with our Ornamental Steel Drive Gate Series. Engineered for the property or business owner who demands maximum structural integrity for wide-span openings, these gates serve as the premier centerpiece of a secure perimeter. Forged from high-strength, galvanized steel and further protected by a premium powder coating, each drive gate is precision-welded to resist sagging and withstand the heavy-duty demands of vehicular access points. From our sleek residential flat-tops to our reinforced commercial spear-top designs, our drive gates are built to maintain a prestigious aesthetic and flawless, balanced operation for many years.

Key Features

- ⊙ **Structural Integrity**
(Heavy-duty steel construction provides superior strength)
- ⊙ **Corrosion Defense**
(Galvanized steel with a powder coating for superb resilience)
- ⊙ **Commercial-Grade Reinforcement**
(Commercial Rackable series uses heavy duty rails and pickets)
- ⊙ **Precision Sizing for Seamless Install**
(Industry-standard widths for gate openings)
- ⊙ **Aesthetic Architectural Harmony**
(A complete range of top treatments)

Hinge & Latch Hardware Kits

Essential Residential & Commercial Double Gate Leaf Hinge & Latch Set For 1-1/2" to 2" Gate Frame and 2" to 2-1/2" Post - 001-000230

The Essential Double Gate Leaf Hinge and Latch Set is a comprehensive hardware solution tailored for wide-entry residential and commercial double gate systems. This kit is engineered to accommodate 1-1/2" to 2" gate frames and mounts easily to 2" to 2-1/2" posts. Featuring four high-strength butt hinges (two per leaf) and a secure latching mechanism, it ensures synchronized operation and reliable closure for larger openings. The set includes a dedicated adjustment tool for fine-tuning the alignment between the two gate leaves, along with all required fixings for a professional-grade installation.

Ornamental Signature Residential Drive Gate Hardware Kit For 1-1/2" Gate Frame and 2" Post - 001-000246

Combining classic aesthetics with heavy-duty functionality, the Ornamental Signature Residential Drive Gate Hardware Kit is the ideal choice for double-drive gate installations. This premium set is specifically sized for 1-1/2" gate frames and 2" posts, providing a custom-fit feel for residential properties. The kit includes four wrap-around hinges—two for each gate leaf—offering superior structural integrity and a refined, decorative appearance. A robust fork latch and latch hanger system is included to ensure a secure center-point closure, while the complete set of fixings simplifies the installation process for a professional, long-lasting finish.

Ornamental Signature Commercial Drive Gate Hardware Kit For 2" Gate Frame and 2-1/2" Post - 001-000244

Engineered for high-traffic entry points, the Ornamental Signature Commercial Drive Gate Hardware Kit provides industrial-strength performance for large-scale double-gate systems. This kit is precision-matched for 2" gate frames and 2-1/2" posts, ensuring a rigid and secure fit for heavy-duty commercial use. It features four wrap-around hinges (two per leaf) that distribute weight evenly and prevent sagging over time. The security assembly is completed with a heavy-duty fork latch and latch hanger designed for reliable center-closure, along with all necessary industrial-grade fixings to withstand the rigors of frequent operation.
