# Chain Link Residential Fork Latch

## Specification Sheet

### SPC-CHAIN-034A

## Chain Link Residential Fork Latch

The Chain Link Residential Fork Latches are the standard, reliable solution for securing residential gates. Simple to use but effective, this hardware ensures your chain link fence gate stays closed, keeping pets in and unwanted visitors out. It acts as the primary latching point, connecting the gate frame to the terminal post with a sturdy drop-fork mechanism. Designed for ease of use, the latch allows for quick entry and exit while providing the peace of mind that your property boundary is secure.

## Key Features

### Material Type

Galvanized Steel

### Compatibility

The Chain Link Fencing Residential Fork Latch is used to latch your residential swing gate to the terminal post.

### Sizes Available

Terminal Post Diameter

Size	Product Code
