Chain Link Bull Dog Hinge

Specification Sheet

SPC-CHAIN-030A

Chain Link Bull Dog Hinge

The Chain Link Bull Dog Hinges are fundamental components designed for robust commercial and residential applications. Engineered to provide a secure and smooth pivot point for your chain link fence gate, this hinge is built to withstand the rigors of daily use. Whether you are securing a small business perimeter or a residential driveway, the Bull Dog style hinge offers a superior alternative to standard strap hinges by utilizing a high-strength clamping mechanism.

Key Features

Material Type

Galvanized Steel

Compatibility

The Chain Link Fencing Bull Dog Hinges are a key component providing the pivot point between your Chain Link Gate and Terminal Posts

Sizes Available
