Residential Aluminum Gates

Specification Sheet

SPC-ALU-003A

FIRST FENCE USA

WE LISTEN. WE CARE. WE DELIVER.

Premium Aluminum Gates. Precision Manufactured. Engineered Quality.

Experience the perfect synthesis of security and curb appeal. Our Residential Aluminum Gate Series is engineered for the American homeowner who demands strength without sacrificing style. Constructed from premium aluminum alloy with a weather-resistant powder-coated finish, these gates are designed to look brand new for decades.

Key Features

- Built to Last**
 Constructed from a high-strength aluminum alloy, this gate delivers superior structural integrity while providing immunity to rust and corrosion.
- Impact-Resistant Pickets**
 Featuring 5/8" square pickets with heavy-duty 16-gauge sidewalls, the design offers exceptional defense against bending, denting, and daily wear.
- Anti-Sag Engineering**
 The frame is anchored by robust 1" square rails with thick 14-gauge sidewalls, creating a rigid backbone that prevents the panel from sagging over time.
- Solid Welded Construction**
 Unlike screwed-together alternatives, the fully welded frame ensures maximum stability, capable of withstanding the toughest residential environments.
- Versatile Installation**
 Universally handed to accommodate your preferred hardware layout, this gate integrates perfectly with adjacent fencing for a unified look.

Suitable For

- Steep Driveway Entrances
- Poolside Enclosures
- Rolling Perimeter Fencing
- Front Yard "Estate" Definition
- Coastal & Lakefront Properties
- Garden & Landscape Accents
- Patio & Courtyard Privacy
- Pet Containment Runs

Three Styles Available from Stock

2 Rail Flat Top

- Minimalist design offers an open, unobstructed entryway view.
- Sleek, clean lines perfectly complement modern architecture.
- Budget-friendly option offering premium durability and value.

3 Rail Flat Top

- Third rail adds strength, preventing sagging and increasing stability.
- Smooth top design ensures safety for children and pets.
- Substantial visual weight creates a clearly defined entrance.

3 Rail Staggered Spear Flat Top

- Classic estate look adds instant sophistication and curb appeal.
- Visual security of spears combined with a safe, smooth top rail.
- Decorative pattern creates a high-end, custom feel.
