

Insert locks

FIFTYLOCK

<https://www.locinoxusa.com/gate-hardware/locks/insert-locks/p00007974>

Prime insert lock with 100% stainless steel mechanism. The stainless steel, adjustable self-latching bolt and hook combined with the correct keep guarantee a strong and solid closed gate where the gate wings can not be pulled apart or forced open. The lock can be installed on metal, aluminum and PVC gates. Thanks to the patented "Click-It" system the lock is mounted in seconds.
