## Specification Sheet

SPC-CHAIN-047A

## Commercial Chain Link Drive Gates

The Chain Link Galvanized Commercial Drive Gate is engineered to provide a robust entry point for vehicular access while maintaining clear visibility. Designed for environments where establishing a boundary is essential without creating an imposing visual barrier, this chain link driveway gate system is ideal for light commercial properties, parks, and controlled residential zones. The double-leaf configuration offers a wide swing radius, facilitating easy operation for incoming and outgoing traffic.
