# Black Universal Gate Spring Hinge

## Specification Sheet

SPC-HARD-006A

## Universal Gate Spring Hinge

The Universal Gate Spring Hinge is a robust and versatile hardware solution designed to enhance the security and functionality of residential and commercial entryways. Engineered for a wide range of applications, this hinge is compatible with vinyl, wood, and metal gate systems, offering a seamless installation process for both left and right-handed setups. Its substantial width provides the necessary structural support for heavier gates, ensuring reliable operation without sagging.
