# Black Universal Gate Hinge

## Specification Sheet

SPC-HARD-009A

## Universal Gate Hinge

The Universal Gate Hinges are engineered to deliver exceptional strength and stability for heavy-duty perimeter systems. These hinges are capable of supporting the weight and dynamic stresses of large commercial, agricultural, or residential gates. Constructed from premium-grade steel, the components are finished with a protective coating to resist corrosion, ensuring reliable performance even in harsh weather conditions. This durability makes them an ideal foundation for any entrance requiring heavy duty gate latch hardware to maintain a secure closure.
