# Black Universal Gate Handle

## Specification Sheet

SPC-HARD-011A

### Universal Gate Handle

The Universal Gate Handle is a premium hardware solution designed to add both functionality and distinct style to your property's entry points. Whether you are upgrading a sliding barn door, a garden shed, or a standard perimeter entrance, this hardware delivers a secure grip and smooth operation. Engineered for heavy daily use, its ergonomic design ensures comfort while maintaining a rugged aesthetic that complements various architectural styles.
