Square Top Temporary Fence Panel
Specification Sheet
SPC-TEMP-002A

Square Top Temporary Fence Panel

The Square Top Temporary Fencing Panel is a practical and cost-effective solution designed for establishing quick, dependable boundaries. Whether you are managing an outdoor event, protecting a construction site, or securing restricted hazard zones, these temporary fence panels deliver the necessary flexibility and resilience to control access effectively. Manufactured from high-quality pre-galvanized steel, the panels provide excellent defense against rust and harsh weather, ensuring a long lifespan even in demanding outdoor conditions.
