## Specification Sheet

### SPC-HAND-002A

## Cutting & Sawing Tools

Explore our comprehensive lineup of professional-grade cutting and sawing tools designed for heavy-duty demolition, fabrication, and construction projects. Our inventory features industry-leading equipment—engineered for excellence—offering both high-mobility cordless models and high-torque pneumatic solutions. Whether you need the portability of compact handheld saws or the relentless power of industrial-strength masonry cutters, this selection ensures maximum productivity and precision on any jobsite. Perfect for sizing wooden rails, trimming PVC panels, and cleanly cutting metal chain-link posts to exact specifications.
