# Circular Saw Blades

Specification Sheet  
SPC-HAND-012A

## Circular Saw Blades

Browse our impressive lineup of commercial-grade accessories crafted for heavy-duty framing, ripping, and demolition applications. Our inventory highlights market-leading blades—optimized for longevity—providing both high-precision fine-finish styles and high-performance cermet options. Whether you require the smoothness of versatile general-purpose profiles or the unrivaled toughness of diamond-tipped cutters, this assortment guarantees optimal efficiency and reliability on every worksite. Excellent solution for sizing fiber cement for siding and trimming tasks.
