Oldstead Ornamental Sliding Gates

Specification Sheet
SPC-ORSG-001A

Premium Sliding Gates

Discover the ultimate blend of architectural elegance and unwavering protection. Our Ornamental Sliding Gate Collection is crafted for the American homeowner who values robust defense alongside striking visual charm. Forged from high-grade metals featuring a rust-defying, baked-on finish, these smooth-gliding entryways will retain their flawless beauty for generations.

Key Features

✓ Versatile Sizing Options

Accommodate driveways and entrances of all scales with a wide selection of gate dimensions, ranging from 4 to 8 feet in height and spanning 14 to 24 feet in length.

✓ Distinctive Top Profiles

Choose the perfect silhouette to match your property's architectural style with your choice of sleek flat tops, elegant curved tops, or secure spike top designs.

✓ Elegant Decorative Details

Personalize the look of your sliding gate with beautiful ornamental touches, including intricate flower accents, sophisticated knuckle embellishments, or a classic plain finish.

✓ Tailored Support Systems

Ensure robust stability and a secure fit with dedicated, black dig-in U-shape supporters that are perfectly height-matched to both our flat and curved top gates.

✓ Seamless Sliding Operation

Optimize your entryway's daily functionality with our compatible 20-foot V-tracks, engineered to provide smooth and reliable performance for the entire Oldstead sliding gate collection.

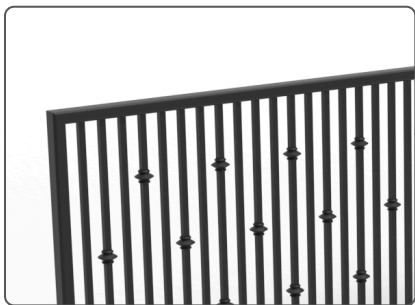

Suitable For

- | | | | |
|----------------------------|------------------|-------------------------------|-----------------------------|
| ✓ Private Driveways | ✓ Luxury Estates | ✓ Apartment & Condo Complexes | ✓ Boutique Hotels & Resorts |
